The Business Standard

Bangladesh under pressure due to global economic crisis

The Bangladesh government is under pressure to take steps to address the global economic crisis. The crisis has led to a sharp decline in the country's GDP and a rise in unemployment. The government is also facing a shortage of foreign exchange reserves. The crisis is expected to have a significant impact on the country's economy in the coming months.

The Business Standard

SafeCon - a expo all about smart and sustainable energy

The SafeCon exhibition is a platform for showcasing smart and sustainable energy solutions. The exhibition features a wide range of products and services, including smart meters, renewable energy systems, and energy storage solutions. The exhibition is expected to attract thousands of visitors and investors from around the world.
